EDUCATION

2023- 2027
AZERBAIJAN STATE UNIVERSITY OF ECONOMICS

- Bachelor of Information Technology

2012-2023
SECONDARY SCHOOL

- High School Diploma

SKILLS

- Software Development
- TypeScript, Node.js, Python
- Object-Oriented Programming
- Proficient in RESTful APIs
- Knowledge of web sockets
- Experience with MongoDB
- Code Review & Problem solving
- Application Development
- Web Application Development

LANGUAGES

- Azerbaijani (Native)
- Turkish (Native)
- English (Fluent)
- Russian (Basics)

PROFILE

I started my journey with learning JavaScript 3 years ago, and I'm currently focusing on enhancing my skills as a backend developer. I gained experience developing games, applications, and artificial intelligence programs with Python. Additionally, I have worked on REST APIs, console applications, and bots using Python, Node.js, and TypeScript. I also have experience with front-end development using Vue, React, EJS.

WORK EXPERIENCE

Upwork.com 03/2024 - PRESENT
Software Developer

- Updated old code bases to modern development standards, improving functionality.
- Optimized application performance by conducting regular code reviews and refactoring when necessary.
- Improved software efficiency by troubleshooting and resolving coding issues.

BakuDevsGroup 10/2022 - 12/2022
Backend Developer

- Streamlined API integration for seamless communication between frontend and backend systems.
- Developed RESTful APIs that facilitated seamless data exchange between clients and servers in a distributed environment.
- Troubleshot and tested software and debugged to clean up code and improve efficiency.

Discord & Telegram 09/2021 - 01/2024
Bot Development

- Improved software efficiency by troubleshooting and resolving coding issues.
- Saved time and resources by identifying and fixing bugs before product deployment.
- Prepared custom bots for more than 100 servers and customers

ACCOMPLISMENTS

- Achieved Verified Discord Bot Developer by preparing bots for servers
- Developed an innovative software package that automated the engineering and production of Discord Bots.
